“ So sorry to hear of Carol's passing. Carol was a loving parent who worked hard to help make her children's school a special place for all students. She was a can-do PTO leader who was a joy to work with. She brought a sense of fun which made even mundane tasks pleasurable. My sincere sympathy to the family.

“ My sympathy to Carol's family at this difficult time. I had the pleasure of working with Carol at Mount Mercy, where she was well-loved by staff and students. She had so many talents in many areas and was someone whose advice I really valued. She was a real gem--a kind, caring, and positive person who always reached out to others and made them feel included. She will be missed.
