“ To the family of Mike Mullen, I am sending my thoughts and prayers to you as you mourn the loss of a great guy! My brother, Jim Kuhl and I grew up next door to the Mullen family in Fonda and what a delightful neighborhood we all had, playing baseball, football and assorted other games on our vacant lot and all over the block. Kick the can, Hide and Touch and roller skating occupied our summer days. Jim and I arrived in 1944 to live with aunt Marge and uncle Lex and Mike did his best to make us feel welcome. He taught me how to skate, ride a bike, play baseball and football and be a normal kid. We built a great snow ramp on Mullen property for sledding every winter. I spent hours with Rose Ann and Frannie at the house. Those were wonderful times of growing up. I was able to see Mike at work in Spencer a few times and the catch up visits were fine. I am hoping to make my way to Storm Lake for services and a brief visit with family. Mike had a gentle spirit and was always kind and warm in his dealings with folks. I know he will be missed.

“ God bless you, Mike, You were a man I admired, always. You were a man with a friendliness unique to you. You were the mellow guy with not a mean bone in your body. You honed your nature on the playgrounds of Queen Street. I recall a story of a game on Kuhl's lawn, where a well hit baseball landed in Jerry and Nell Obrien's living room. One of the Fitzgerald boys retrieved the ball to a teasing question from Jerry, "Whose going to pay for the window?" (Emmet Fitz, allowed his kids to "charge" things down town at Obrien & Nevin Hdw. Store). The response from the lad was, "Charge it". There is no doubt in my mind, Mike, you were in that game. You moved with your family to 5th and Franklin, kitty-corner from the home where your Dad grew up; where "the rock" was a meeting place for generations. I was barely out of diapers when I sat with RoseAnn, watching sporting events on the street. (There were no vacant lots nearby). You, Marijean, RoseEllen, RoseAnn, Fr. Ed., Frances, Moose, Johnny, Nubs, Joe, and Terry, left a lasting impression with me, that warms my heart to this day. So, celebrate, Mike, as we celebrate your kindness, your goodness, your heavenly reward. Give my folks a hug. And tell Maryjean, I chuckled, when she recalled a day when I was a particularly noisy little pre-schooler, and her Dad asked, "Who is killing Billy, I hope?"..... May God bless Mike's family, Sandy, Ann, John, and Steve..... as they have been blessed with Mike's place in their lives.

“ Sandy and Family, I have three wonderful memories of Mike. First he is the brother of one of my dearest friends (Frances) and, since I spent a lot of time in their home, he was the older brother that teased us a lot. Then there are the memories of Mike and Bill Brown (now Dr Brown, my dentist for years) spending a summer from UI teaching us swimming lessons at the Fonda pit. And the most recent memory - I'm walking at Valley West Mall one Sunday afternoon and a voice calls my name - there sat Mike, being a good patient husband as Husbands are asked to be, while you were off shopping. We sat and visited for some time. It's always so great to catch up with Fonda friends.
Thinking of all of you in this time of grief and may Mike rest in the arms of Our Lord for all eternity.

“ Mike was my oldest friend. We went through grade school and part of High School together at OLGC. I ended up at Loras because of Mike. He spent most of a summer in California with my family and we have been in contact at least at Christmas over the years. Sandy I was able to be at your wedding on a cold December day in 1961 but I am not able to travel from Florida to celebrate Mike's life regrettably. I was shaken but thankful for Steve's call today. Sandy, my deepest sympathy to you and all your family.

I will make a memorial gift to Loras College in Mike's memory and have Masses offered for Mike. Life is fragile at this age. I hope Mike will look up Terri and say hello for me.

I am sure he has attained eternal peace also. RIP Mike.
