Burial will be in the Buena Vista Memorial Park Cemetery in Storm Lake. Visitation will take place Friday, August 14, 2020 from 5-7:00 p.m. at the Fratzke & Jensen Funeral Home in ALTA. The Fratzke & Jensen Funeral Home in Alta is in charge of the arrangements.

Goldie Lee (Anderson) Poulson, daughter of Francis and Lucille (Swinderman) Anderson, was born on November 7, 1936 at home near Webb, IA. She graduated from Storm Lake High School and enjoyed singing in the church choir where she met her first love, Francis (Pinky) Loats, a handsome college student.

Pinky and Goldie married on March 30, 1957. They were blessed with four children, Michael, Michelle (Misty), Monica (Midge) and Mark. After years of being stationed in four states, and an 18 month hardship tour in Okinawa, Japan, they left the Air Force to settle down, making Alta their home. Having always wanted to be a teacher, she took classes at Buena Vista College for 2 years. Unfortunately, Pinky was soon diagnosed with leukemia which ended his life too early.

Her passion for children led her to begin driving a bus route for Alta Schools. She drove for over 40 years waving and smiling from behind her wheel. In her spare time, she learned how to reupholster furniture and turned it into a business, Loats Upholstery. Her eyes saw things not as they were but for the beautiful treasure they could be with a little love and care.

While working hard to make ends meet, Goldie attracted the interest of James Poulson. They married on August 20, 1976 (d. 1996). God blessed them with Melanie and Martin (Marty). Shortly after the wedding, the couple invited Goldie's brother, Darold, to live with them as his epilepsy no longer allowed him to live alone. She cared for him for more than 20 years until he needed skilled nursing.

Goldie was a founding member of Alta Church of Christ and enjoyed making huge batches of hot cocoa mix served on Sundays. She was most comfortable in the kitchen serving others and could turn a little of nothing into a meal for an army. Her gardening and canning skills kept her family well fed and the cookie jar was dependably full. She loved the thrill of garage sales and being with friends and family. A card shark she was not, but she made every game more fun and memorable. Her contagious laugh, beautiful smile, encouraging words, listening ear and nurturing hugs will be greatly missed.

On Tuesday, August 11 she passed away surrounded by the love of her family and ran into the arms of Jesus. Her address changed to Heaven where she is enjoying her eternal reward and no longer suffering from Alzheimer's.

She will be missed by many including her children: Michael and Kathy Loats of Alexandria, MN, Misty and Ed Hackbarth of Iowa Falls, Midge and Lynn Evans of Aurelia, Mark and Kelli Loats of Minot, ND, Melanie and Chris Harmon of Palestine, TX, and Marty Poulson of Merville, IA; her grandchildren who called her Grandma Bummy: Peter (Mandy) Dunphy, Elizabeth (Joe) Hauser, Katherine (Andrew) Jorgensen, Erin Evans, Andrew Loats, Amanda (Brandon) Marean, Trey Evans, Brittany (Jon) Seefried, Jessica (Catrina) Davis, Daniel Loats, Jacob Loats, Macoy, Marshal, Caleah, and Miles Harmon; 19 great grandchildren; sister, Vera Hallengren of Storm Lake, brother, Robert Anderson, and brother-in-law, Richard Burnette of Meadows of Dan, VA.

Preceded in death by her parents; husband, Pinky; siblings: Mary Burnette, Darold, Earl, Betty and Shirley Anderson.

“ Like many others, Goldie was my "forever" busdriver. I was the last one on in the mornings and the last one off in the afternoon. When it was just Goldie and me left on the bus, she motioned me forward to talk about what book I was reading or what new music I was listening to on the radio. She always listened...her smile lit up the bus and her I can almost still hear her giggle. She will be missed by so many!

“ Goldie was a wonderful lady! She was a great bus driver. All our children said she greeted everyone with a smile every morning. What a wonderful memory she created for children. Goldie was one of a kind. We all know she is smiling and enjoying her new home in heaven.

“ Goldie was our neighbor, and her smile was infectious. Shortly after we moved here, I saw her walk to a neighbor's house every morning. I thought maybe Goldie and the neighbor, Ramona, were still practicing the old custom of "coffeeing," sharing news and gossip over a morning cup of coffee. I was later to learn that Goldie was helping Ramona with her ailing husband. Every morning. Ramona told me about this years later, after her husband died. Goldie wouldn't take a dime for helping out. The world never has enough people like Goldie.

“ Goldie was my bus driver when my parents rented a house on a farm while a new house was being built on the edge of Alta. When we moved into that house, Goldie would sometimes pick me up while I was walking and drop me at our house. Sometimes, someone would mention it and she would tell me she couldn't give a ride anymore. But, she still did. She always had a smile on her face and cared very much for the children that rode her bus. My sympathy to Goldie's family.

“ I know Goldie drove my kids to school events. I just want the family to know that JoAnn Johnson and myself, lead “bell playing”, “hymn sings” and sometimes games out at Wel-life. Goldie would usually join us, once we knocked on her door and reminded her. Sometimes on our day, we would find her doing her laundry, and she would join us when done. We have missed the residents s bunch during this Covid time. I have gone window peeking..... carrying signs of missing them and love.... and hope to see you soon. Sometimes she would smile and she metines I saw tears. She would always wave. She was a great lady.

“ Goldie was our bus driver for years, and I can truthfully say she never got upset with us or yelled, always a smile! A couple times when the weather was bad, she got us out of some pretty intense situations, but never showed she was worried or upset! I got my ears pierced from Goldie as many did and I will never forget the sound that needle made when it hit the apple! She did an awesome job, way better than the professionals! But really she was a pro, considering how many girls ears she pierced! My sympathy to Goldie's family! God got a great one on Aug. 11th! She will be missed.
