“ Susan, just wish I would have had the opportunity to get to know your mother better. The one and only time I met your mother was at your wedding. I know how close you were to your mother and how much you love her. She will always be with you in spirit wherever you go and whatever you do. Her memory is for a lifetime. Our family is very fortunate to have you as a part of it. John and I, along with Matt, Debbie and the girls love you so much and want you to know that we will always be here for you when you need us. Just cherish forever all the memories you have of your loving Mother, Julianne.
