“ To the family of our dear friend Al,

*What can I say about a man like Al, he was truly a guy with class. I have so many fun memories! He brightened up the room with his wit and intelligence. He always made us laugh! Last time I saw him we left off right where we were from years ago when he spent so much time in Mallard with Kevin and I, Kaye and Marvin. My heart is very heavy but I know he is in good company up there! We can all learn a lot from Al Schutz about kindness, unselfishness and friendships!! Fare well my friend, You WILL be missed!

“ I was very saddened and filled with grief when I heard that Al had passed, but wasn't that just like Al; he was a Great Man. He wouldn't ever burden anyone or ask for their sympathy. I feel that Al was a very dear old friend of mine. I realize that my sadness is self serving. I will miss his smile and giggle. Al never said a derogatory comment about anyone! He was the kind of man that would give you the shirt off his back if that would help you, while he would suffer in silence.

I would like to think that my old friend Al, is up in the clouds cooking his favorite meal; then heading to the nearest casino. Have a wonderful afterlife Al...
