“ Alice was a wonderful Aunt and Godmother. I think of her often and the times we had with LuVerne and the rest of the family at the farm and other family events. Just as in the attached pictures, my memories of Alice always include that she was smiling and had kind and encouraging words for everyone. I'm sorry that I am not able to be there to celebrate her life with her family. Alice will always be in my thoughts and memories and I will always remember how she made me feel growing up.

“ Alice was a great friend! For the little time I know her I could tell that there was something special about her! She had a light that shined in her eyes and her smile could light up the room! Alice was always looking out for others and loved her family and friends dearly. She would see her company coming and greet them with a smile and a big hug. The one thing I will always remember about Alice is when she would walk to mass every Friday she would ask me where her honey Luverne was. I would kindly say: He is sitting in the chapel waiting for you! "Well, that's a good place for him!" Alice would joke! Your family is in my prayers and if you need anything please let me know!

“ Keith and I want to send our deepest sympathy to all of you! Mom just filled us in that Alice passed away over the 4th! (Kind of put me in a shocker state). Strange how time/age catches up so quickly, as I remember all the fun times we had on the Vonnahme farm as kids and that seems not so long ago, but it is! Please know that we are thinking of you and prayers go out to you all during this very difficult time! Take care, and love you!
