“ My dear sweet aunt donna mae and Cousin Linda and all family. I am so saddened by the news of Barbs passing. Please know that days and weeks and years do not go by with out thinking of you all and for all you did for me and my brothers. I only have one consolation and that is that she is with my mother and father and grandpa and grandma in the kingdom of god that we are all set to be a part of someday. She has been welcomed with open arms and love shall abound with her forever! Rickie Magnussen

“ *When I became part of the Henrich family Barb was so welcoming to me. Cindy had told me many wonderful things about her but hearing it wasn't nearly as wonderful as the experience proved to be. In the many years since our first meeting she never failed to share a hug and a smile, or to make me feel welcome and part of it all. I will miss her and I wish I could have known her much longer. To Tom, Heather and Chris...I love you guys and I am so sorry for the loss you are dealing with now. See you soon.*
