“ *Julie and Family,*

I'm so sorry to read about your mom in the Storm Lake paper, which I get rather slowly here in Arizona. She volunteered when your sons were in my classroom at West School. I loved having her as she was always was so positive with the students! After your sons moved up in grades, she continued to help our classroom out and by this time she was a Pro! I continued to keep in touch with her (until I moved to AZ) and loved her for the beautiful person she was. I know what a loss this is for you and your family and want you all to know that I will keep you in my prayers. She was an awesome lady and I know you all have many happy memories of her as do I.

Fondly, Dee Lewis
