“ *Curt and family, I was saddened to learn of Colin's death. He was such a kind and loving person. I have many memories of Colin. I remember when he was about 6 years old Norbert, Iris and family were visiting his Aunt Myra and me at Ogallala, NE and Colin just loved to go motorcycle riding. Also remember how well he liked hiking up the hills at Ash Hollow where the pioneers traveled years ago. Colin will be dearly missed by his family and many friends. I extend my deepest sympathy to Colin's family.*

“ *Colin was so loving and was always welcoming when Mal and I visited. I am so sad at his early death but happy to think of the growing family circle in Heaven who are celebrating his arrival including his mom and two sisters as well as grandparents, aunts and uncles. Our circle here, however, will miss his quiet presence at family gatherings and his warm hugs. I am so sad that I won't be with the family this week to celebrate Colin's life. You will all be in my thoughts and prayers. Please give Norbert my sympathy. Love to all who loved Colin. Wendy*
