Connie graduated from Alta High school and attended some college.

In 1964 while out with friends at The Cobblestone in Storm Lake, Connie danced her way into the heart of a young man. She married that young man, Bob Hoch on July 9, 1965. Connie was a proud mother to two boys, Jeff Hoch and Curt Hoch and an even prouder grandmother to five beautiful granddaughters. She loved her family and was happy spending time with them.

Connie's work history can be summed up in one word: Servant. Connie loved serving others. Connie spent over 25 years working at Methodist Manor in Storm Lake as a CNA taking care of the many residents. During her career at the manor she served numerous people treating each one with dignity and respect. Even after leaving employment at Methodist Manor, Connie continued visiting and helping the many friends she had made while working there. Connie was always willing to help and spend time with senior citizens in need. This continued until she had a stroke in July 2012.

Connie also worked at Goodwill in Storm Lake where she enjoyed cleaning up old treasures, organizing the store and the relationships she developed with customers and staff.

Connie loved to clean and in doing a job well done and enjoyed working at The Storm Lake Wal-Mart in the maintenance department. Often times Connie was awarded praise from management and the public for how clean she kept the store. She took great pride in knowing that even at 70 years old she could out clean and outwork any of the younger staff. She greatly enjoyed her job and the many friends she made while working there.

Together, Connie and Bob enjoyed traveling, attending cook off competitions to cheer on their son Curt as he competed. As granddaughters grew, Connie enjoyed being able to travel to Wisconsin to watch Hannah, Abby, Grace, Faith and Sophia at special school and community events. Connie loved Christmas time and enjoyed being able to give her granddaughters money that she saved up for all year long. Connie once stated that shopping for five girls was something only a mother can do. Connie enjoyed spending time with her daughter-in-law, Annette Hoch. Connie was always amazed and grateful at the wonderful kindness and generosity she received from Annette. From beautiful handmade quilts to delicious food, Connie felt very blessed to have

such a wonderful daughter-in-law.

Connie and Bob always enjoyed decorating their house for the holidays, inside and out. They loved weekends and have a lifetime of fond memories dancing together at the Elks Lodge or their living room and spending time with friends.

“ So sorry to hear of Connie's passing. I remember when you first said you were going to have your own Jeff. We moved to Az. and was hard to get together as often as we wanted, but we talk of the coffee and soda nights often. We will be home in Aug. for my 55 class reunion. Maybe we can get together then. I made your Mothers' recipe for sugar cookies this Christmas. Is the best one yet. Our thoughts and prayers are with you and your family.

I could write a book of all the wonderful memories that I have of my Aunt Connie through my 71 years of being her niece. I got her clothes that she passed on to me when I was in high school. I felt so honored and loved by her. These last few years she has struggled so hard since her stroke. Knowing that she is finally free of pain and she earned her angel wings to watch over us. I love you, Connie, love her family ,she has left behind, my sympathies to Bob, Jeff, and Curt, I love you very much.
