“ My name is Heidi Kirschner and I live in Kelowna, BC, Canada. I am honoured that Mum Connie saw me as a step-daughter although I only really got to meet her when she came to Kelowna to visit with Therese and Les about 10 years ago. I felt an immediate bond with her and think that she felt the same way. We had a fantastic visit and I believe that she enjoyed it as well. I laughed as Mum Connie kept staring at my daughter Brianne in disbelief and kept stating that Brianne looked just so very much like Annette when Nette was younger. There was not the slightest doubt that there were very strong genes in play. One of my favourite moments during their trip here was when we took a small day trip to Summerland and rode on the Kettle Valley Rail Train. There was an older gentlemen working on the train and his job was to entertain the guests with his banjo playing and singing. He took an instant liking to Mum Connie and proceeded to serenade her and they shared numerous songs. She was beaming and was having such a tremendous time. I will always cherish this happy moment and had indeed hoped to be able to visit with Mum Connie again. She has left a real void in many lives but will be looking down on the special St. Patrick Day festivities with a huge smile. I sure wish I could have tasted her famous Corned Beef! Rest in Peace Mum Connie. Til we meet again!
