“ I had the honor of getting to know Dale over the last couple of months. He was certainly an amazing man! He shared many amazing memories - of his own, of his family, and of history in general, and it was so easy to become completely mesmerized by his knowledge. He had a great sense of humor, and enjoyed a wholehearted laugh during almost every visit. I cannot imagine the loss his family is feeling at the moment, but please take comfort in knowing that he loved you all very much, and I can't even count the number of times I heard him say he was proud of you (Angie & Nate). Thank you for allowing me to meet and get to know Dale. Many hugs and prayers to you.

“ I've known Dale from the 1960s when I was in high school and visiting his music store regularly! He was always so helpful and friendly in the store. He even allowed a friend and I to come to the store and play 2 piano duets. Many years later, I took his place as the musician at the Episcopal Church when he could no longer do it. He was a wonderful guy--he will be missed by the music community.

“ I had many beers with Dale, and many memories, but I certainly loved spending Halloween with Dale. He would dress up like the grim reaper, turn in spooky music and hand candy out to the kiddos. He would even use a clicker to count the kids, one he had from a mess hall in the military if I remember right. Dale's smile and laugh will certainly be missed. Love and hugs to you, Angie, Dan, and Nate.
