“ *Dolores will be missed by so many of us. I have already missed visiting with her after church services. She greeted us with that smile of hers and always asked how my mother was doing. Mother took the news of her passing hard. She too has wonderful memories of their friendship over the years.*

Your memories of this beautiful lady will help you through this time. They have to be surrounding you as a family. Memories are like that!

We pray God will be with you.

Sincerely,

Paul and Marilyn Monson
