“ *Don And I were grade school, high school, 4-H'ers, Wayne State. Coll. attendees,, Colo.St. Univ.grads,, and frat brothers. We seen much together in our early years,but life took us separate ways the next 45 years, only passing paths very briefly 3 -4 times. Don was the best of the best. My error for not spending more time in his circles. He will only be gone from us for a little while. Don, our next meeting will be longer and be in a much greater place !!. Praise the Lord Jesus !!*

“ Don was a very special nephew, he lived on a farm next to a road that when it rained would get very muddy bringing those that enjoyed mud bogging to get stuck and Don was called up-on what ever day or night was a willing helper.

Don's uncle Gene and family enjoyed special visits with him over the years keeping special family contact from Phoenix to Fonda. A very gracious host, Thank you Don.

“ Uncle Don was an extraordinary guy that I had the privilege to grow up 1 mile from and have as a mentor as I helped on the family farm during my first 18 years. He was always there to ask how things were and to come to as many of my events as he could. I admire his focus on family, hard work, and his passion for those things he cared about or was involved in. I share in his love of a good homemade pie and will be eating plenty this week (in his honor of course)! We will miss you, Uncle Don.
