“ I am so sorry to learn of Don's passing. I thoroughly enjoyed being his doctor for so many years. He was such a pleasure to see as a patient. I felt we became good friends, and always looked forward to seeing him. I learned a great deal from him, and admired his strength and fortitude when life threw him some curve balls. I enjoyed teasing him about his days in Hawaii and scolded him for taking a pay check when he was there all winter. He loved his family, and the devotion Betty showed to him during some tough times always touched my heart. I send prayers for comfort to your entire family. Peace, Dr. Mark Schultz
