“ My condolences go out to the family. Donnie was a great guy. He had a big heart, always willing to help people out and do things for them. I never saw him on his down days so he was always happy when we'd go to his favorite place, Pizza Ranch. He loved his word working stuff. He loved going out to tge shop and making his stuff. He did wonderful work. Always loved his shows that he had. He loved people. If he really knew ya he was always joking around with ya. He will be missed by many. RIP Donnie. Enjoy being pain free and doing all the things you used to do but couldn't.
