“ Donna was a pleasure and blessing in our Sunday School Class! She was so happy to share her thoughts and love to all. She told us how happy she would be in heaven, free of physical restrictions but most of all to be with Jesus! I know she is asking her questions and laughing and dancing with joy!!

“ Donna was a fixture at her church for years and years. She was always a faithful attendee of our Adult Sunday School class and had something to add each week. There was a welcome greeting from Donna wherever you ran into her especially on Sunday in the Sanctuary. No one enjoyed a short chat with you more than Donna did. When she moved from BV Manor to Methodist Manor, she blossomed because of the new to her and the larger group of residents in her world. She was a real addition to that place too. She certainly will be missed by many.
