“ Pat was my Grammas niece. We went to her house a lot. Now I live at the SLSH just a block away from her old house. I drive by it often. Remembering sitting at the kitchen table talking. I last saw her a Cetha memorial in April. My Sympathy to all.

“ I am her sister Lois. After graduated from high school in 1952, I decided to go to BV College. Soon I didn't want to go anymore. She had been paying my tuition so she said if you quit you have to pay it back. I did finish a 2 year program and 17 years later I graduated from University of Minn. And taught school for 28 years in Bloomington School.

“ It was an honor providing lawnmower care, service for the last years that she lived in Storm Lake. Although mostly sober by nature, I always tried to tell her a joke to get a laugh and a smile. Blessed be your memories of Doris.
