“ *I knew Dorothy from church but got to know her better when I moved across town to South School in Storm Lake and spent more time with Barb, a classmate. We often walked to school together and a group of us got together frequently. I remember a taffy pull that was a lot of fun. Dorothy was a sweet lady who enjoyed the company of us younger generation, was active in our church functions and always knew you when she saw you. My condolences to all the family. “ Tim and family: I am so sorry to hear about the loss of your mother. I have a lot of special memories of Dorothy from many years ago when we attended the same church. She was always so kind and supportive. I know she has earned a special place in heaven and she was truly a blessing to many. Thinking of you and sending hugs of comfort and peace.
