“ *Dwight was the first friend I ever had as we met in Mrs Knutson's kindergarten class.
Many fond memories of his quick wit and very present energy to make everyone around him have a good time.
Even though we moved to CA after sixth grade I still thought of him as a friend and on the occasions we visited Schaller he was always welcoming and a blast to be around.*

Sorry to see of his passing and my heartfelt condolences to his children family and friends.

Back in the seventies there were two things you could count on! There would be a teen dance at the cobb on Sunday night and Dwight and his really long straight brown hair would be there.

ROCK ON!!!
