“ *Marcella and family - I just viewed the video and it reminded me of how blessed we are to have had such a great upbringing with parents always there for us. Just the fact that all of us knew each other's parents and spent time at each other's homes. Special times that sometimes we need to remind ourselves of. May those memories be with you!! “ I had Eleanor as a nurse at the Alta Hospital. She was always kind and always tried to do everything to make me comfortable! Later Etta Caboth invited me to be in the club that several ladies from Schaller and my mother in law were in. She enjoyed playing cards or bingo or whateer we did, and was alway laughing. I will remember her as a very special lady!
