“ I loved working with her, we would sing you are my sunshine all the time. When I worked as a dietary I made sure to go see her and talk with her with my other co workers to wish her a goodnight she was the reason I went to be a cna so I could work and care for residents and spend more time with them. She was definitely my sunshine ❤️ Her laugh could brighten up anyone’s day!

“ Such a nice lady! So enjoyed her when we went to visit our mother. ( over 3 yrs. ago ) If we made hot cocoa for Mom, Erma got one too. She even sat outside with us a couple times. She was like a General Store with what she had in her walker bag. Ann and Carol Grundmeier
