“ *The day we went out to eat your mom and she brought you along was the first time I knew I was friends with a little angel from above. We laughed so much and we even shared an order of fries. Well, I helped my self to some fries.*

God works in mysterious ways but we all know you are in good hands up above looking over your loved ones down here.

May you rest in peace Esme!

We will take care of your mommy here, I am sure you will too!
