“ *Ethel and I met when my dad and I went to Alta to see her stallion, Premiere. We spent the day looking at her beautiful horses and talking "horse". From there we became good friends. She was always willing to share her knowledge and expertise. I will miss her.*

“ I am sorry to hear of the passing of Ethel. I knew her over the many years i worked at the bank in Alta. We became friends, and I always enjoyed her many pictures of her miniature horses. I also would see her and always visit at the many crafts shows she would sell her beautiful blankets and things. She called me maybe a year ago just to visit and see how I was doing. Told me about enjoying living with her daughter, and that she still liked to ride the lawnmower and help do things she could. I really enjoyed her. I am sorry for the families loss, and maybe I will see Doyle and visit with him. You have my sincerest sympathy. 💕🙏

“ My sympathy to you, Janet, and your family. it seems like Ethel and I have known each other for ever. We were team mates on Albert City's six on six girls basketball team about 80 years ago. The last few years we kept in touch by telephone, Prayers. Joann Hansen Oatman.
