“ *Pat, I am so sorry to hear about Gordon's passing; it has been a long time since I have seen you both and that was at the Highview reunion. I was always hoping that somehow, you both would come to Green Valley to see me as I am sure Burdette told you that I am living here. Pat Siekman Hartman*

“ Blessings and prayers for Pat and the family as you navigate these difficult days. Even though miles separated us, Gordon and I maintained connection via phone and text message all these years. I sent him a final message a few days before his passing recalling memories from the years and hoped he was able to read them or have them read to him. I will miss his quiet laughter, the positive way he looked at life, his strong faith, his stories about farming fishing and Arizona, his love for his family and his desire to still connect with people important in his life . We have lost his presence but not the memories. He is safe in the arms of Jesus. Hugs to all.
