“ Warmest regards, thank you so much Kent, for reaching out to me after so many years, and although I had only been introduced to Gretchen during a brief visit with my Grandma Huntoon in the mid 70's, I remember vividly the warm hospitality and friendly demeanor of the entire Dokken family. Through my (occasional) shared written correspondence with your Mom, I was allowed a glimpse of the LinnGrove farm activities from time to time which I appreciated greatly and was offered (in a small way), a composite portrait of the wonderful lady that I had met so long ago. My deepest condolences to you, Kent and family.

Sincerest sympathy,

Farley Stroud, Southern California

“ You have my sincere sympathy on the loss of Gretchen. What a special lady and beautiful soul. She brightened the lives of those around her and always had a smile and a kind word. She treated my girls with lots of love and kindness, even making the buns for Megan's graduation from high school! (Hers were the best!) She will be missed by many.

“ First of all, our most sincere sympathy to you, Sara, Kent and family. Your mom was such a special lady and will be sorely missed by all who loved her and had the privilege to know her. She "groomed" many bakers, cooks, seamstresses and "domestic engineers" in her many years of teaching. I am forever grateful for the many lessons I learned from her. Thanks for the memories, Mrs. Patterson.

“ Gretchen was my dear aunt who married my mom's brother, Stan. We'd see them at Sunday dinners when we lived in Iowa. She was a lovely lady who did many things. She was a hard working farm wife and school teacher and I think she played organ at her church. She was well known and liked in her community. She and my mother would have phone visits and later Gretchen and I would have phone chats to keep up with family news. She always had something positive to say and she was a good listener. She'd tell me stories of family history. I'm so sorry for her loss but will remember her with admiration and love.

Blessings and prayers to her family.

With love, her niece,

“ I started my teaching career at Sioux Valley and met Gretchen. She was a neighbor of my grandparents and shared with me some of the stories of them. She also gave me my grandmother's angel food cake recipe and I've made that several times throughout my life. She was such a kind and caring person and I always think of her when making an angel food cake. God lift you up at this time of sadness.

“Gretchen was such a dear friend to the Lyster's . The memories we have of her and Red and Kent and Sara are such treasures. As a young girl I would sit in church and Red would wink at me! Gretchen was our church organist for many years at Trinity Lutheran. She was a wonderful teacher who fixed many of my sewing mistakes! She was always so kind and understand and many of us thought of her as our second mother. She will certainly be missed by many of us a her memory lives on. God bless her memory.

“ So sorry for your loss. I had Mrs. Patterson in home ec in high school she was the reason I went into cooking when I graduated. I love to bake and she taught me things could always be better. Just need to practice your skills and when i made blue bon bons in class she told me that isn't a color that's appetizing. But, she did admit they were good and still gave me an A.
