“ One year ago today I lost my best friend, right hand man, but most importantly my grandpa. It doesn't seem like its been a year, and there isn't a day that I don't think of you! I miss our talks that lasted hours, and I miss the special bond we shared. But most of all... I miss you! Until we meet again! 💙

“ Dear Marilyn and family, Our sincere condolences go to you and your family. I remember him many years ago when you and I taught school in Ida Grove. Where did those years go? Many happy memories in the old 'Dewey Building'. Your comfort is knowing that he is in our Heavenly Father's arms. Blessings to you. Joan and Leon Petersen Ida Grove

“ Harold was a loving, caring person. He was a great man. Always busy with something and caring about others. There was never a time I saw him where he didn't ask how things were going. The thing I really loved about the man was his lil grin he always had on his face. You never knew what he was thinking or what he was gonna say. Usually it was something that would make you smile and laugh. Heaven has gotten another angel to watch over us. He will be missed by all. God be with you all at this time and always.
