*My thoughts and prayers are with you all. I will always miss Iris for her wonderful warmth to me when I was first in the family. Iris was all about family and made me feel a part of it. I remember how happy she was to have another tea drinker in the family and a chance to bring out one of her special tea pots. I know she is at peace and delighted to be with Carol and Christina again and of course our Lord Jesus! What a joyful reunion is happening right now. Love you all, sorry I can't be there with you but I plan on cutting the last of the irises from my garden and remembering her Weds. morning.*
