Although I am unable to join you at the visitation, it is wonderful to be able to reminisce with you through this video. I remember Jack fondly from the time he was an adolescent and I was a little kid. I enjoy seeing those old photos and all the years in between until now. Thanks so much for sharing. He was a very special guy who lived a unique life, and we'll miss him. –Donna Q

I have so many memories of Billy and I during the summer hanging out at the lake, sneaking into the drive in, Jack taking us for ice cream and going to the Alta races. I had so much fun watching Jack laugh and he made me laugh. I know it has been a long time, but hard to get up to Storm Lake living on the other side of the world. Go in peace Jack.

“ Struggling to figure out how to build a proper ice fishing house, Jack stepped in to "help." Basically he supplied all the materials and built the whole thing one afternoon while Bill and I learned a few things about construction, but mostly dreamed of landing a lunker. Man did we have fun that winter. Thanks Jack :)
