“ *The Don and Lela Hansen family members are so very sorry for the loss of your mother. We enjoyed seeing her at Wel-Life. It was a blessing to run into you Diane and Donna with your mom this past May at the Storm Lake Pizza Ranch. Our memories of the Bauer family living across the street from our family on Buena Vista Street will always remain in our hearts. May God wrap His arms around you all and give you love, comfort and peace.*

*Your many years as neighbors,  
The Hansen Sibblings*
