“*Jeremy, I Love you, and I will miss you! You will always have a special place in my heart. You brought so much love and joy to me and so many other people! You just lit up a room with your beautiful smile and laughter! You were always so excited to see me! I felt very blessed to have had the opportunity to hang out with you and share stories from books or about people we both knew. It was a joy to see how excited you'd get, when we played catch together and with your Mom, with a ball or a balloon. We'd blow bubbles, play with blocks and other toys, dance in the living room, go for walks or chase your brother around the car in the driveway. You are a beautiful soul Jeremy. You were So blessed to have such an Amazing family who loved and cared for you so beautifully! And a family with the greatest sense of humor, whom you could laugh with and get teased by, which I know you would have had it no other way. You are in such a better place now. You are with Jesus and free of pain and suffering...*

Gerardo, Lupe Xochil and Gerardo, I just wanted you to know that The tender love that you guys showed Jeremy was so inspirational for me to witness. Thank you for all the kindness you have shown me over the years, and allowing me to be a part of your lives. I am so sorry for your loss. My thoughts and prayers are with you all during this most difficult time. I love you guys! Hugs to all, and God's Blessings and Peace be with you!!!
