“ Coming back to Iowa was such a special trip each time we made it from Washington. Sitting around the table by the big window at Grandma and Grandpa's house just waiting for all the Aunts and Uncles to arrive. It was never a dull moments with all the family together. I remember Uncle Jerry always telling stories about this neighbor and that neighbor. He knew everything about the town of Alta. He has a special place in my heart as my Godfather. It is so hard to loss a loved one but I know you are enjoying some long talks with my dad. Love you, Trina Buckendahl Munsch
