“ *Jody you will be deeply missed. You were an amazing nurse to work with. We didn't always see eye to eye, but that's okay. I will never forget the night at the Rolfe Rodeo when a horse came running out the gate after the end of a run, I screamed, you jumped in front of me to protect me, even though you are half my size, that made me laugh. A few months ago I was upset and hurting over someone who use to be in my life. You tried to comfort and reassure me, despite you hurting over your own personal issues. You won't be forgotten. I will you and your laugh! Rest in peace!*
