Sheila and family--You have our deepest sympathy. I enjoyed my visits with Jon when I would go pick up a chain saw or lawn mower that Jon repaired for us. We would talk about the good old days at Hayes school. Jeff always knew it would at least an hour for me to do that errand. Jeff & Lory Krummen

We always had a day brightener when Jon was around. Loved to talk politics, fishing, and just giving him a "bad time". A true mechanic he was and there will be none better for small engines. He will be missed by many of his friends.
