“ Sharel, Bill & Family, I am so sorry to hear of Jo's passing. She was a special friend to the Russell Family and kept us all informed of the happenings in Newell by her long 2 page single-spaced typewritten letters. My mother (Clara Russell) would send her letters to me after my mom & dad read them. I enjoyed my correspondence with your mom over the years after my parents passed away. I knew I better come see her when I was in Newell or she would give me a good talking-to via her letters. I have many fond memories of you "kids" and your folks. My mother will talk Jo's ear off now that they're all in heaven together. Since I won't be at the reunion, I won't be able to come to her funeral. Just know that my thoughts and prayers are with all of you.

“ You have my deepest sympathy. Jo was such a special lady! My Mom (Marcella Piercy) would call Jo on Sunday afternoons and they enjoyed their chats. When Mom was having health problems, I would call Jo and let her know how Mom was doing. Our phone chats continued after Mom passed away. I will miss visiting with her. I so enjoyed learning more about Newell and her life growing up, since the Piercy's were a part of Newell's history.

“ *You have my deepest sympathy. Jo was a wonderful person and friend. Mom (Marcella Piercy) and Jo would have phone chats every Sunday afternoon. When Mom wasn't doing so well this last year, I would call Jo and let her know how Mom was. After Mom passed away, I would look forward to calling Jo every couple of weeks to check on her and talk about days passed. Her memory was amazing!
I will miss our phone calls.
