“ I am an old time Ruthven friend of Joy's. Spent many days and nights at her house growing up. Lost touch over the years. She was a special girl and I cherish our time together, all except for her cats!! She was a cat lover and I was not. Loved her hair color and she had a wonderful mother who was a great cook. You were always welcome in their home. Sometimes my mom made me come home. Sorry dear friend I let the time and distance separate us. God bless you all.
