“ Stephanie and family,
Larchwood Drive seems a long time ago, but I
have never forgotten the joy of being
neighbors in S.L. for so many years as the
"Allen" kids grew up next door to your family.
Your parents were so lovely, and it was a fun time baby sitting you
and Stacey when you were little. Although I am too far away in CA
to return for the service, I want you to know I am thinking of you and
sending prayers and hugs. My deepest sympathy to you in the loss
of your mother..

“ Stephanie.. I wanted to let you know I am thinking about you and
the loss of your Mother. I see she died in Ohio, so I am sure you
have many things to be thankful for, having her close by in the
ending days of her life. We have many memories of your whole
family, attending many of the same things we did at a Church and
School with children in the same classes...and of course my
memories of You in Girl Scouts.
