“ *Judy and I were like sisters in our teens. When you saw one you saw the other. Got caught hitchhiking together from Marathon park. What didn't we do. Haven't kept up so good last few years but always in each others thoughts. My best thoughts and prayers for Terri and Jim. Your mom was a really great person and good friend forever. Since 7th grade. My love and warm thoughts for you as you deal with this sadness but knowing what a great Mom you had think of all the love she spread in her life. Now she's with your Dad. Sincerely Jackie Fraizer Black*

“ Terri & Jim - your Mom was such a warm and sweet lady. She was such a good friend to my family living next door to us for so many years. I enjoyed working with your Mom at Ken a Bob a couple summers when I was in college and although you may not remember, I even babysat you and Jim before you moved next door to us. My heartfelt condolences! Sharon (Nurse) Kruchten
