“ *To: The Ripke Family*

My sincere condolences to your family. I got to know Judy when Michelle was in my class. I had so much respect for her concern and cooperation as a parent. Michelle, I remember when we went to your grandparent's place to see the peacocks. You were so brave. (I guess that I was impressed because I too was a farm girl and afraid of everything.) Michelle, I also remember your diligence---never missed a homework assignment.

God Bless your family. She was a devoted wife and mother. May she RIP for a job well-done.

“ *So many memories.....I vaguely remember that I might have been the flower girl at her wedding. I do remember a beautiful doll she might have tried bribing me with, lol. Christmas and Thanksgiving spent with all the family, a few vacations at Lake Okoboji, exploring the farm house when she and Uncle Mel moved in. Riding Buck and Queen around and around her house, admiring her paintings and crafts. Watching home movies in Grandpa and Grandma Owings' basement.....so many memories. I will always have her smile and laughter in my heart xx Tami Owings-Mepham*

“ Judy was a friend throughout high school, I lived a few blocks from her and would catch a ride to school with her and others via her dad. We shared some good time then and she lived across the street from my now husband Gene Halling. Love to her and her family and may she rest in peace. Judy Todd Halling
