I just can't express how sad it makes me to hear the news of Kae's passing. She was a great friend for many years, and we shared a lot of great times. She and Dave's visits to Indiana were such memorable times, and though we weren't in contact much over the last couple of years, I will miss her. One thing about Kae that I will never forget is that she could remember details of a lot of our antics over the years, and could make me laugh even during the rough times. My heart goes out to Kae's family and friends. She will be missed!
