“ Karna and I began school together in Holstein at 5 years old..We moved to a farm south of Alta in 1958. Henry and Fern bought a farm and moved to Alta in 1959 and we were classmates again. I was thrilled to be with her again. I have so many good many memories of us through those years and then on to our married life. There several of our girl classmates around Alta and we got together about once a month for social time and fun and laughs. Then each of us began having babies and we still kept going to each other[']s homes, kids could play we girls could have a good visit once a month. After our kids began school then we had to stop and not get together as much anymore. The best memory was when at a class reunion at Clear Lake Iowa, she and Peggy dressed up as Lucy and Ethel and stopped grapes in a contest that time. So funny and those gals laughed all the way through it. Karna was always ready to have fun and laughs. Her passing breaks my heart but her face and memories of her forever in my heart until we meet again one day. You will be missed so much. My sympathies to her family for their loss of a great gal.

“ *Tonya, Trent and families*
I was so deeply saddened to hear of Karna's (Frenchy) death. We had so many great times together snowmobiling in the ditches, going to Yellowstone, bowling, parties...just being neighbors! Every time with Rich and Karna was guaranteed a good time. She is now with Rich and Todd and they are chatting up a storm!! I am sure your hearts are breaking. It is so difficult to lose your Mom. She will never be forgotten! You have my sincerest sympathies! Thoughts and prayers are with you all.
