“ I just found out today that my cousin Kathy has died. I live in New York City and would call her every few months, but we hadn't spoken for quite a while. I'm coming back for my high school class reunion on July 16 and was hoping to see her then. I've known Kathy all my life. We attended school in Nemaha and high school in Early. When my wife & I would visit Iowa we would stay with Kathy and her mom at their home in Early. I feel very bad that I'd been out of touch with her for so long. I wish someone had contacted me when she died, but at least I know now.
