Kelly was one of my first friends the summer I was 12 and started racing horses with Gramp. She was the coolest. She knew about make up, could drive a car, harness a horse and had a boyfriend. Even though I was a younger tag along that summer. Kelly and Joel always treated me like I was one of the gang and made me feel welcome. Kelly had it all going. My favorite memories of Kelly were the summer of 1975. We all raced the Missouri fairs . Driving out to a state park and swimming at Kirksville and hitting the midway at Sedalia. The best times were sitting around the barns at night. She will be watching over Dave and the rest of the family. She will have a great view. Love to the family.

*I remember meeting Kelli when Lynn and I used to ride at the Alta Fairgrounds. She was so little and cute as a button! She used to walk under the big horses, fearless. She and her family made us so welcome.
Then I was invited to her wedding to Dave. It was so special.
The loss to her family is devastating. We are so sorry for your loss and will keep you in my prayers, forever.
Rest in peace sweet little girl. Gone too soon.*
