“ *My father in law is one of the most humble and loving man I have been around. He taught me some of my best attributes in a short 8 years that I have known him. He helped develop a large caring family after a life of war back in his home country of Laos. Without him I wouldn't have the family I have today and I'm grateful and honored to have had him in my life. Thank God that he is in an amazing paradise now and away from the suffering. Until we meet again soon Dad - I Love You!!*
