“ I remember the day she got this she was so proud of it.. the smile on her face I can't even tell you how happy she was. You know when someone smiles and their just kind of happy or just not happy at all? You see em smile but you know that's just a front.. not her and not that day. In my whole life I don't think I met someone that was really happy like 100% happy no filters no bullshit. You could see the joy in her eyes. The sparkle. The air in her laugh . I'm really sad she's gone. And sll I find my self thinking is I hope she's ok. I hope she's not scared or sad I hope she's smiling like that day I miss her a lot. My ryda. I love you..bye KJ

“ To my niece who is now in heaven, I love you more than you know. My favorite time was when you all you kids would get together and celebrate holidays with Grandpa and Grandma Munger and the rest of the crew. You spirit was never broken . You believed in the Neverland and all the wonders, travels that took Alice where ever she wanted to explore. May you rest in peace and know, I am trying my best. I am sorry ,so sorry, that you lost the battle of life. Love always Your Aunt Dawn

She did love Alice. I remember tattooing Alice really really big on her leg. I listen to the voice mail she left me every day.
