“ *Reminiscing about fun times in Honey Harbour along with scenes at flying clubs with Kurt's family and ours!*

We are grateful Stephen and Kurt came to visit last year and enjoyed lunch with Mom, Mary Stebbins, as part of our group of family friends.

Steve also had the opportunity to take Kurt and Stephen around the National Air Force Museum of Canada, where Kurt's Ad Astra stone had been placed many years ago.

Kurt's presence will be greatly missed, but the memories remain in our hearts.
