“ The first time I met LeAnne she welcomed me with open arms as if I were her own daughter. She hugged me so tenderly and was so sweet to me , I felt like she was the MOM that I had just lost. She was always so loving and worried about making sure everybody had something to eat and was comfortable. She had a giggle that was like no other I had ever heard, it was definitely a one of a kind ❤️. I could see the love in her she had for all her family it just sparkled in her eyes. She had a special Mom smell I cannot explain that was wonderful I don't know what it was called but I can smell it now. I will forever remember her and her laugh and her kindness to me as her daughter in law and will truly miss her 💔🙏❤️. She is my Angel now and GOD will take care of you now I love you LeAnne 💕!
