“ *My father, John R. Hribar served on the USS Latimer during the same time period as Mr. Gaibraith. He talked very little about his experiences during the war, but he did say how frightening it was when the Kamikazee attacked. My dad lived his entire life in Lincoln, Illinois and raised 3 children. He died in 2003 at the age of 93. I am sure that John and Lloyd are sipping a beer and playing cards while sharing stories up in heaven. I am sorry for your loss.*
