“ A wonderful mom, grandma and great grandma -a woman that dedicated her life to the health and happiness of others.
Giving and caring is what made her happy. She loved being surrounded by all her kids , grand kids and great grandkids. Love for her family was first and foremost, I've been so very blessed to have such an amazing woma as my mom. My heart is full knowing she will always be there for me in spirit. The night my mom passed, she went peacefully. Before her last breath, she looked away and said “I'm here”
I want to believe she saw my dad who has been up in heaven for 10 years and he was there to meet her. Now they are reunited and looking over us and we're looking up at them, never forgetting , remembering all the special memories they made with us and I will forever grateful to have loving and caring parents. I love you Mom and Dad.
