“ My heart is saddened to hear about Lynn's passing. She was one of the first people I met at Summit. We met during ABF after church and she was always inviting me to sit next to her and Darell...such wisdom between those two!! She was the sweetest soul. I enjoyed our visits and even a handful of times where we got to walk together at Summit on Friday mornings. She was always so interested in me and my life that now I ask we all share about her beautiful life, and the many ways she impacted others in such a positive way. ❤️❤️❤️ . Will miss you Lynn. Prayers to Darell and family. May God's love and comfort surround you all.

“ Lynn was always a good listener and had a understanding heart. She also had a beautiful smile and open arms always ready for a hug. We will miss seeing Lynn at church. We loved when she would read something in front of the congregation it was always with a bit of drama that seemed to draw you in and hold your attention. With our deepest sympathy to Lynn's family and friends at this sad time.

“ *My deepest sympathy to the family. I cherish the memories of having lunch or coffee with Lynn when I worked for the City of Alta (then Karen Mauser). We shared our faith and prayed together and we laughed a lot, too. She was a dear, special woman. May God fill you with what you need.*
